TIMISOARA

ACCOMMODATION OFFER

03-06 of October 2012

Experience Timisoara...

Timisoara is the second most important city of Romania and the first regarding investment. Neighbouring three European capitals (Budapest, Vienna, Belgrade) has led to a multi-cultural space.

Timisoara is the only city in Romania to have a Romanian theatre as well as a Hungarian one and a German one. And Hotel Timisoara is situated at a 10 metres' distance from all three of them. Right from the front door of the hotel starts the Corso Boulevard, customary place for promenade.

Timisoara is also the city of parks: within the same distance from the hotel (5 minutes' walk) you can find three of the most beautiful parks in Romania: the Botanical Park, The Roses' Park and the Central Park. Walking along the navigation canal of Bega is also an offer you cannot deny. It is one of the reasons why foreigners think that Timisoara is both a romantic and a fascinating city. There are so many places waiting for you to discover such as: the Orthodox Cathedral, the Sinagogue in the former Jewish District, the Catholic Dome in the Unirii Square and the Baroque Palace, now the Art Museum.
